We exceed client expectations – we do not just meet the expectations of our clients, we exceed them ... our credo

Since 2002, CONTRAST Revision AG has been providing important auditing and comprehensive business advisory services to its clients, which primarily comprise SMEs.

Our main services include ordinary and limited audits, special audits and due diligence audits. We also provide our clients with advisory services in finance and accounting and corporate tax law.

We want to apply our subject expertise, experience and entrepreneurial approach in a manner that creates clear-cut advantages for our clients.

Thanks to our excellent network of the most diverse experts in other fields and our collaboration with our sister company BRAG, we can also offer our clients access to a large reservoir of special subject know-how in related fields.

As our client you can therefore benefit from comprehensive and individual advisory and support services. Your personal contact person will be at your side from the development of the concept to its implementation.

Comprehensive services from one source

Audit Services

As audit experts we are skilled with know-how in similar fields of activities and can offer you a wider range of our services.

Auditing and advisory services are also being provided by our sister company Buchhaltungs und Revisions AG.

Business Advisory Services

Many years of experience and a skilled team provide the basis for our solution-focused and situation-specific advisory expertise.

Benefit from our good connections

We have been engaged in a constructive dialogue with government authorities, public offices, law offices, legal specialists and others for many years.

BRAG is a member of the international association of INAA. INAA is an international association of independent accounting firms whose prime purpose is to assist businesses with cross-border accounting and taxation issues.

PICATREX TREUHAND AG

As a shareholder, BRAG also has access to the international network of Picatrex Treuhand AG. This was established through the merger of auditors, fiduciaries and tax experts in Zurich and Zug who work in the traditional SME segment. Collaboration within Picatrex gives our clients access to additional valuable contacts in Switzerland and Europe.

As part of a cooperation programme between fiduciary companies and auditors, CONTRAST is a co-founder of the audit company SRG Schweizerische Revisionsgesellschaft AG. The objective of this company is to provide top-quality ordinary audit services on a cross-regional basis and to intensify the exploitation of and continue to develop the available audit know-how among the affiliated partners.

Our sister company Accounting and Auditing Ltd (Buchhaltungs und Revisions AG, BRAG), Zug, under the same ownership as CONTRAST, specialises in finance and accounting services (financial accounting, financial statements), tax advisory and fiduciary as well as comprehensive personnel administration services.
